ITEM 4. DESCRIPTION OF SECURITIES.

Not applicable.

ITEM 5. INTERESTS OF NAMED EXPERTS AND COUNSEL.

The legality of the Common Stock and Rights to be issued upon exercise of the options granted or to be granted under the 1994 Non-Qualified Stock Option Plan for Non-Employee Directors will be passed upon for the Company by Brown, Rudnick, Freed & Gesmer, One Financial Center, Boston, Massachusetts 02111. Donald E. Paulson, Secretary of the Company, is a member of Brown, Rudnick, Freed & Gesmer. Mr. Paulson and other members and associates of such firm own a nominal number of shares of Common Stock of the Company.

ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

Section 145 of the General Corporation Law of the State of Delaware ("Section 145") authorizes a corporation to indemnify directors, officers, employees or agents of the corporation in civil suits if such party acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interest of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful, as determined in accordance with the Delaware General Corporation Law.

Section 145 requires indemnification if the party in question is successful on the merits or otherwise. With respect to derivative suits, a person may not be indemnified if she or he has been adjudged to be liable to the corporation, unless a court determines that such person is entitled to indemnification.

Section 145 permits the advancement of advances upon receipt of an undertaking to repay such amount if it shall ultimately be determined that such parties are not entitled to be indemnified.

As permitted under Section 145, the Company's Certificate of Incorporation, as amended, and By-Laws, as amended, authorize the Company to indemnify directors and officers against "Expenses" incurred in connection with the defense or disposition of any "Proceeding" by or in the name of the Company or any stockholder if the

II-1

director or officer acted in good faith, and in a manner he reasonably believed to be in, or not opposed to, the best interests of the Company, except that the Company may not indemnify a director or officer with respect to any matters as to which such director or officer has been adjudicated liable for negligence or misconduct in the performance of his duty to the Company, unless, and only to the extent that, the court deciding the action determines that such a director or officer is entitled to indemnification. The term "Expenses" is defined in the Company's By-Laws as liabilities, including but not limited to amounts paid in satisfaction of judgments, in compromises or as fines or penalties, and expenses, including reasonable attorneys' and accounting fees. "Proceeding" is defined to include any threatened, pending, or completed action, suit, or proceeding, whether civil, criminal, administrative, or investigative, and any claim which could be the subject of such proceeding.

The Company's Certificate of Incorporation, as amended, also provides that a director shall be liable to the extent provided by applicable law (i) for breach of the director's duty of loyalty to the Company or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) pursuant to Section 174 of the Delaware General Corporation Law, or (iv) for any transaction from which the director derived an improper personal benefit. Except as set forth in the foregoing sentence, however, no director shall be personally liable to the Company or its stockholders for monetary damages for any breach of fiduciary duty by such director as a director.

- A. The undersigned Registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement.
- (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) beginning on each anniversary of the date of grant thereafter, for up to an additional 20% of such Shares for each additional year, until, on the fifth anniversary of the date of grant, the Option may be exercised as to 100% of the Shares covered by the Option, until the expiration of the Option Exercise Period.

Options may be exercised in whole, or in part, from time to time, only during the Option Exercise Period, by the giving of written notice, signed by the holder of the Option, to the Corporation stating the number of Shares with respect to which the Option is being exercised, accompanied by full payment for such Shares pursuant to section 7(a) hereof; provided however, (i) if a person to whom an Option has been granted ceases to be a Non-Employee Director during the Option Exercise Period by reason of retirement, death or any reason, other than termination for cause, such Option shall be exercisable by him or her or by the executors, administrators, legatees or distributees of his or her estate until the earlier of (A) the end of the Option Exercise Period or (B) 36 months following his or her retirement or death or the date on which he or she ceased to be a Non-Employee Director; and (ii) if a person to whom an Option has been granted ceases to be a Non-Employee Director of the Corporation by reason of termination for cause, such Option shall terminate as of the date such person ceased to be a Non-Employee Director. Termination for cause shall be defined as termination on account of any act of (i) fraud or intentional misrepresentation, or (ii) embezzlement, misappropriation or conversion of assets or opportunities of the Corporation or any Subsidiary.

(d) Non-Assignability. No Option, or right or interest in an Option,

shall be assignable or transferable by the holder, except by will, the laws of descent and distribution or pursuant to a qualified domestic relations order (as defined in the Internal Revenue Code of 1986, as amended, or Title I of the Employee Retirement Income Security Act of 1974, as amended, or the rules thereunder), and during the lifetime of the holder shall be exercisable only by him or her.

7. Payment.

(a) The purchase price of Shares upon exercise of an Option shall be paid by the Option holder in full upon exercise, and may be paid (i) in cash, (ii) by delivery of Shares, or (iii) any combination of cash and Shares, as the Board may determine.

(b) No Shares shall be issued or transferred upon exercise of any Option under this Plan unless and until all legal requirements applicable to the issuance or transfer of such Shares, and such other requirements as are consistent with the Plan, have been complied with to the satisfaction of the Board, including without limitation those described in Paragraph 10 hereof.

8. Stock Adjustments.

(a) If the Corporation is a party to any merger or consolidation, any purchase or acquisition of property or stock, or any separation, reorganization or liquidation, the Board (or,

-3-

if the Corporation is not the surviving corporation, the board of directors of the surviving corporation) shall have the power to make arrangements, which shall be binding upon the holders of unexpired Options, for the substitution of new options for, or the assumption by another corporation of, any unexpired Options then outstanding hereunder.

(b) If by reason of recapitalization, reclassification, stock split, combination of shares, separation (including a spin-off) or dividend on the stock payable in Shares, the outstanding Shares of the Corporation are increased or decreased or changed into or exchanged for a different number or kind of shares or other securities of the Corporation, the Board shall conclusively determine the appropriate adjustment in the exercise prices of outstanding Options and in the number and kind of shares as to which outstanding Options shall be exercisable.

(c) In the event of a transaction of the type described in paragraphs (a) and (b) above, the total number of Shares on which Options may be granted under this Plan shall be appropriately adjusted by the Board.

9. Change of Control Provisions.

(a) Notwithstanding any other provision of the Plan to the contrary, in the event of a Change of Control, any Options outstanding as of the date such Change of Control is determined to have occurred and not then exercisable shall become fully exercisable to the full extent of the original grant.

(b) A "Change in Control" shall mean:

(i) there shall have been consummated (a) any consolidation or merger of the Corporation in which the Corporation is not the continuing or surviving entity pursuant to which the Shares are converted into cash, securities or other property, other than a merger of the Corporation in which the ownership by the Corporation's stockholders of the securities in the surviving entity is in the same proportion as the ownership by the Corporation's stockholders of the stock in the Corporation immediately prior to the merger or (b) any sale, lease, exchange or other transfer (in one transaction or a series of related transactions) of all or substantially all of the assets of the Corporation; or

(ii) the stockholders of the Corporation have approved any plan or proposal for the liquidation or dissolution of the Corporation; or

(iii) any person (as that term is used in Sections 13(d) and 14(d)(2) of the Securities Exchange Act of 1934, as amended (the "1934 Act")) has become the beneficial owner (within the meaning of Rule 13d-3 promulgated under the 1934 Act) of 30% or more of the Corporation's outstanding Shares; or

(iv) that during any period of two consecutive years, individuals who, at the beginning of such period, constitute the entire Board shall cease, for any reason, to constitute a majority thereof, unless the election, or the nomination for election by the Corporation's

stockholders, of each new director was approved by a vote of at least three-quarters of the directors then still in office who were directors at the beginning of the period.

10. No Rights Other Than Those Expressly Created. No person affiliated

with the Corporation or any Subsidiary or other person shall have any claim or right to be granted an Option hereunder. Neither this Plan nor any action taken hereunder shall be construed as (i) giving any Option holder any right to continue to be affiliated with the Corporation, (ii) giving any Option holder any equity or interest of any kind in any assets of the Corporation, or (iii) creating a trust of any kind or a fiduciary relationship of any kind between the Corporation and any such person. No Option holder shall have any of the rights of a stockholder with respect to Shares covered by an Option, until such time as the Option has been exercised and Shares have been issued to such person.

11. Miscellaneous.

(a) Withholding of Taxes. Pursuant to applicable Federal, state,

local or foreign laws, the Corporation may be required to collect income or other taxes upon the grant of an Option to, or exercise of an Option by, a holder. The Corporation may require, as a condition to the exercise of an Option, that the recipient pay the Corporation, at such time as the Board determines, the amount of any taxes which the Board may determine is required to be withheld.

(b) Securities Law Compliance. Upon exercise of an Option, the

holder shall be required to make such representations and furnish such information as may, in the opinion of counsel for the Corporation, be appropriate to permit the Corporation to issue or transfer the Shares in compliance with the provisions of applicable federal or state securities laws. The Corporation, in its discretion, may postpone the issuance and delivery of Shares, upon any exercise of an Option, until completion of such registration or other qualification of such Shares under any federal or state laws, or stock exchange listing, as the Corporation may consider appropriate. The Corporation intends to register or qualify the Shares under federal and state securities laws, but is not obligated to register or qualify the Shares under such laws and may refuse to issue such Shares if neither registration nor exemption therefrom is practical. The Board may require that prior to the issuance or transfer of any Shares upon exercise of an Option, the recipient enter into a written agreement to comply with any restrictions on subsequent disposition that the Board or the Corporation deems necessary or advisable under any applicable federal and state securities laws. Certificates representing the Shares issued hereunder may be legended to reflect such restrictions.

(c) Compliance with Rule 16b-3. With respect to a person subject to

Section 16 of the 1934 Act, transactions under this Plan are intended to comply with all applicable conditions of Rule 16b-3 or its successors ("Rule 16b-3") under the 1934 Act, including maintaining the status of the Non-Employee Directors as "disinterested persons" under Rule 16b-3. To the extent any provision of the Plan or action by the administrators of the Plan fails to so comply, it shall be deemed null and void, to the extent permitted by law and deemed advisable by the administrators of the Plan.

(d) Indemnity. The Board shall not be liable for any act, omission,

interpretation, construction or determination made in good faith in connection with their responsibilities with respect to the Plan, and the Corporation hereby agrees to indemnify the members of the Board, in respect of any claim, loss, damage, or expense (including counsel fees) arising from any such act, omission, interpretation, construction or determination, to the full extent permitted by law.

(e) Options Not Deemed Incentive Stock Options. Options granted

under the Plan shall not be deemed incentive stock options as that term is defined in Section 422 of the Internal Revenue Code of 1986, as amended.

12. Effective Date; Amendment; Termination.

(a) The effective date of this Plan shall be the date of the approval of stockholders of the Corporation holding at least a majority of the voting stock of the Corporation present or represented and entitled to vote at a meeting of the stockholders.

(b) The date of grant of any Option granted hereunder shall be the date upon which such Option shall be voted by the Board, unless the vote expressly otherwise provides.

(c) The Board may at any time, and from time to time, amend, suspend or terminate this Plan in whole or in part. Provided, however, that so long as there is a requirement under Rule 16b-3 for stockholder approval of the Plan and certain amendments thereto, any such amendment which (i) materially increases the number of Shares which may be subject to Options granted under the Plan, (ii) materially increases the benefits accruing to participants in the Plan, or (iii) materially modifies the requirement for eligibility to participate in the Plan, shall be subject to stockholder approval; and provided, further, that the provisions of this Plan relating to the amount and price of securities to be awarded and the timing of such awards may not be amended more than once every six months, other than to comport with changes in the Internal Revenue Code, the Employee Retirement Income Security Act, or the rules thereunder. However, except as provided herein, no amendment, suspension or termination of this Plan may affect the rights of any person to whom an Option has been granted without such person's consent.

(d) This Plan shall terminate ten years from its effective date, and no Option shall be granted under this Plan thereafter, but such termination shall not affect the validity of Options granted prior to the date of termination.
