Alpha Selects SRC Software's Advisor Series for Budgeting and Financial Reporting

PORTLAND, Ore.--(BUSINESS WIRE)--Dec. 8, 2000--SRC Software, a leading provider of budgeting and financial reporting systems, today announced that Alpha Industries, Inc. will implement SRC's Advisor Series™ as a key component of its decision support program.

Alpha delivers RF integrated circuit-based solutions, including semiconductors and ceramic components, to industry-leading OEMs in the broadband and wireless communications markets. SRC's Advisor Series will provide Alpha with flexible and sophisticated budgeting and financial reporting capabilities.

About Alpha

Alpha (Nasdaq:AHAA) is a leading provider of RF integrated circuit-based solutions, including semiconductors and ceramic components, for the broadband and wireless communications markets. Alpha's switches, power amplifiers and discrete semiconductors are used by the world's leading broadband, infrastructure and wireless communications companies to enhance the speed, quality and performance of voice, data and video. The company's recently announced Alpha Integration Platform™ (aiIP™) is a breakthrough manufacturing, packaging and design technique that reduces design complexity and improves the OEM's overall time to market for new products. For more information, please visit Alpha's Web site, www.alphaind.com.

SRC Software develops, markets and supports the Advisor Series, a suite of decision support products consisting of the Budget Advisor™ for detailed budgeting; the Payroll Planner™ for employee-level payroll budgeting; and the Information Advisor™ for ROLAP consolidation and reporting. For more information please contact SRC Software at 800/544-3477 or visit their Web site at <http://www.srcsoftware.com>.
