Skyworks Appoints Mark V.B. Tremallo Vice President and General Counsel; Tremallo Brings More Than 20 Years of Corporate and Securities Expertise

WOBURN, Mass.--(BUSINESS WIRE)--April 22, 2004--Skyworks Solutions, Inc. (Nasdaq:SWKS), the industry's leading wireless semiconductor company focused on radio frequency (RF) and complete cellular system solutions for mobile communications applications, today announced that Mark V.B. Tremallo has joined the company as vice president and general counsel.

"Mark Tremallo's broad expertise in intellectual property protection, mergers and acquisitions, multinational operations, labor, and securities law will be a valuable asset to Skyworks," said David J. Aldrich, president and chief executive officer of Skyworks. "We are delighted to have Mark on our team and look forward to leveraging his extensive skill sets as we move forward."

Most recently, Tremallo was senior vice president and general counsel at TAC Worldwide Companies, an \$800 million technical workforce solutions provider. Prior to TAC, he was vice president and general counsel at Acterna Corp., a global communications test equipment and solutions provider. Earlier, Tremallo served as general counsel and secretary at Cabot Safety Corporation.

Tremallo earned his bachelor's and master's degrees from Harvard University and is a graduate of Columbia Law School.

Safe Harbor Statement

This news release includes "forward-looking statements" intended to qualify for the safe harbor from liability established by the Private Securities Litigation Reform Act of 1995. These forward-looking statements include information relating to future results of Skyworks (including certain projections and business trends). Forward-looking statements can often be identified by words such as "anticipates," "expects," "intends," "believes," "plans," "may," "will," "continue," similar expressions, and variations or negatives of these words. All such statements are subject to certain risks and uncertainties that could cause actual results to differ materially and adversely from those projected, and may affect our future operating results, financial position and cash flows.

These risks and uncertainties include, but are not limited to: global economic and market conditions, such as the cyclical nature of the semiconductor industry and the markets addressed by the company's and its customers' products; demand for and market acceptance of new and existing products; the ability to develop, manufacture and market innovative products in a rapidly changing technological environment; the ability to compete with products and prices in an intensely competitive industry; product obsolescence; losses or curtailments of purchases from key customers or the timing of customer inventory adjustments; the timing of new product introductions; the availability and extent of utilization of raw materials, critical manufacturing equipment and manufacturing capacity; pricing pressures and other competitive factors; changes in product mix; fluctuations in manufacturing yields; the ability to continue to grow and maintain an intellectual property portfolio and obtain needed licenses from third parties; the ability to attract and retain qualified personnel; labor relations of the company, its customers and suppliers; economic, social and political conditions in the countries in which Skyworks, its customers or its suppliers operate, including health and security risks, possible disruptions in transportation networks and fluctuations in foreign currency exchange rates; and the uncertainties of litigation, as well as other risks and uncertainties, including but not limited to those detailed from time to time in the company's Securities and Exchange Commission filings.

These forward-looking statements are made only as of the date hereof, and the company undertakes no obligation to update or revise the forward-looking statements, whether as a result of new information, future events or otherwise.
