PROXY STATEMENT

The enclosed proxy, for use only at the Annual Meeting of Stockholders to be held September 11, 2000, at 2:00 p.m. local time, and any adjournment thereof, is solicited on behalf of the Board of Directors of Alpha Industries, Inc. The approximate date that we are first sending these proxy materials to stockholders is August 3, 2000. This solicitation is being made by mail and may be made in person or by fax or telephone by our officers or employees. We will pay all expenses incurred in this solicitation. We will request banks, brokerage houses and other institutions, nominees and fiduciaries to forward the soliciting material to beneficial owners and to obtain authorization for the execution of proxies. We will, upon request, reimburse these parties for their reasonable expenses in forwarding proxy material to beneficial owners.

You should use the enclosed proxy if you will not be attending the meeting, or if you expect to attend but want to register your vote now. You may revoke your proxy at any time before it is exercised at the meeting, either by filing with our Corporate Secretary a signed statement that you are revoking it, by signing and submitting another proxy with a later date, or by voting in person at the meeting. We will vote your shares as you instruct in your proxy, so long as it is valid, received before the meeting and not revoked. If you return a signed proxy without marking it to indicate your votes, your shares will be voted in favor of electing the three nominees for directors named in this proxy statement (or their substitutes) for three-year terms expiring in 2003.

As of July 13, 2000, there were 42,803,339 shares of Alpha's common stock outstanding. In order to hold a valid meeting and conduct business, a quorum of more than half of all of these shares must be represented at the meeting, either by valid proxy or in person. All shares that are represented at the meeting on any matter will count toward the quorum during the entire meeting and any adjourned session of the meeting. Abstentions and shares which are withheld as to voting with respect to one or more of the nominees for director will be counted in determining the existence of a quorum.

PROPOSAL 1 - ELECTION OF DIRECTORS

Alpha's Certificate of Incorporation and By-laws provide for the division of the Board of Directors into three classes, each having a three-year term of office. The term of one class expires each year. The terms of three directors, Thomas Leonard, David Aldrich and Arthur Pappas, expire at the Meeting. Mr. Leonard, Mr. Aldrich and Mr. Pappas have been renominated as Class 2 directors to hold office until the 2003 Annual Meeting of Stockholders and thereafter until their successors have been duly elected and qualified. Mr. Aldrich was elected President, Chief Executive Officer and a director by the Board of Directors on April 26, 2000. Alpha's Certificate of Incorporation requires that any director elected by the Board stand for re-election, to a regular three-year term, at the next Annual Meeting of Stockholders.

The persons named as proxies intend to vote for the election of each of the three nominees as a Class 2 director. In the unanticipated event that a nominee should be unable to serve, the persons named as proxies will vote the proxy for such substitute, if any, as the present Board of Directors may designate or to reduce the number of directors. The nominees have not been nominated pursuant to any arrangement or understanding with any person.

EXECUTIVE COMPENSATION PLAN

Alpha's Executive Compensation Plan (the "Executive Compensation Plan") is an unfunded, non-qualified deferred compensation plan for the purpose of providing deferred compensation for selected management employees. Participants may elect to defer a portion of their compensation, and Alpha, in its sole discretion, may make additional contributions to the account of a participant on such terms as Alpha specifies. All deferred amounts are held in a trust. Participants defer recognizing taxable income on the amount held for their benefit until the amounts are paid.

Participants normally receive the deferrals upon retirement. Special rules are provided for distributions in the case of a participant's death or disability, a change in control of Alpha, early retirement, or in the event of unforeseen emergencies, all as defined in the Executive Compensation Plan. During the fiscal year ended April 2, 2000, Mr. Aldrich, Mr. Langman and Mr. Vincent participated in the Executive Compensation Plan. Alpha did not make any discretionary contributions to their accounts for fiscal 2000.

EMPLOYMENT AGREEMENTS

Alpha has severance agreements with the Named Executives under which they are entitled to receive various benefits in the event that the officer is terminated or quits within two years after a change in control of Alpha, or if the officer is terminated at any time without good cause. In these cases, the officer will receive two years of salary continuation, and all of the officer's stock options will vest immediately. The term of these agreements is indefinite.

Mr. Leonard retired as the Company's Chief Executive Officer on April 26, 2000, and was elected Chairman of the Board on the same day. Pursuant to a pre-existing agreement between Alpha and Mr. Leonard, Alpha has entered into a two year consulting arrangement with him at a consulting fee equal to his cash compensation immediately prior to his retirement, and all of his stock options have vested.

COMPENSATION OF DIRECTORS

Directors who are not employees of Alpha are paid a quarterly retainer of \$3,375 plus an additional \$1,000 for each full-day meeting (including separate committee meetings) attended. Directors who serve as Chairman of a committee of the Board of Directors receive an additional quarterly retainer of \$250. In addition, each new non-employee director receives an option to purchase 45,000 shares of common stock immediately following the earlier of Alpha's Annual Meeting of Stockholders at which said director is first elected by the stockholders or following his appointment by the Board of Directors. In addition, following each Annual Meeting of Stockholders each director who is continuing in office receives an option to purchase 15,000 shares of common stock. The exercise price of stock options granted to Directors is the fair market value on the day of grant.

In August 1992, Alpha entered into a consulting arrangement with Mr. Topol pursuant to which Mr. Topol provides consulting services to Alpha in return for a fee of \$7,000 per quarter.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Compensation Committee of the Board of Directors consists of Mr. Topol and Mr. Furey. No member of the Compensation Committee is a former or current officer or employee of Alpha or any of its subsidiaries. See "Compensation Committee Report on Executive Compensation."

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Directors is responsible for developing and making recommendations with respect to policies for executive officer compensation. The Compensation Committee determines the compensation to be paid to the Chief Executive Officer and each of the other executive officers of Alpha.

Based on the recommendations of the Compensation Committee, Alpha has entered into severance agreements with each of its executive officers. Such agreements do not guarantee salary, position or benefits, but provide salary continuation in the event of a termination after a change in control or certain other terminations, as described under the heading "Employment Agreements" in this Proxy Statement.

The objective of the Compensation Committee in determining the type and amount of executive compensation is to provide a level of compensation that allows Alpha to attract and retain superior talent, to achieve its business objectives, and to align the financial interests of the executive officers with the stockholders of Alpha. The elements of compensation for the executives are base salary, short-term cash incentives, long-term stock-based incentives and retirement plans.

Compensation for Alpha's Chief Executive Officer and the other executives, including salary and short and long-term incentives, is established at levels that are competitive with the compensation of comparable executives in similar companies. The Compensation Committee periodically utilizes studies from independent compensation experts on executive compensation in comparable high technology and manufacturing companies, especially those located in the Greater Boston area and the east coast of the United States. Based on these studies, the Compensation Committee establishes base salaries, and expected short-term and long-term incentive compensation, so as to set the combined value near the median of the range indicated by the studies. In establishing individual compensation, the Compensation Committee considers the individual experience and performance of the executive, as well as the performance of Alpha. The Compensation Committee also relies on the recommendations of the Chief Executive Officer for determining the salaries for the other executives.

Short-term incentive compensation for each executive is established annually by the Compensation Committee, by tying a percentage of each executive's total cash compensation to the accomplishment of specific financial objectives for Alpha and for each division.

Long-term, stock-based incentive compensation has been provided to officers under the 1986 Plan and the 1996 Plan (collectively, the "Option Plans"). The 1986 Plan expired in December 1996, and the 1996 Plan was approved by Alpha's stockholders in September 1996. Under the Option Plans, the Committee has, in the past, awarded nonqualified stock options, incentive stock options and restricted stock awards. Restricted stock awards involve the issuance of shares of common stock which may not be transferred or otherwise encumbered, subject to certain exceptions, for varying amounts of time, and which will be forfeited, in whole or in part, if the employee leaves Alpha. Options and restricted share awards provide a method of tying the value of the executive's compensation to the value of Alpha's common stock.

Alpha also permits executives and other employees to purchase Company common stock through the Employee Stock Purchase Plan at a discount. Under the 401(k) Plan, Alpha can also match a portion of the contributions of executives and other employees by issuing Company common stock.

The stock ownership afforded under the Option Plans, the Stock Purchase Plan and the 401(k) Plan allows executives to acquire a significant, long-term stock ownership position in Alpha, which serves to align the executives' interests with stockholders' interests.

The final component of executive compensation provides executives with deferred income. Executives designated by the Compensation Committee participate in the Long-Term Compensation Plan and the Executive Compensation Plan, which are discussed under "Long-Term Compensation Plan" and "Executive Compensation Plan" above. Executives may also participate in the 401(k) Plan.

During fiscal 2000, the Compensation Committee established the compensation of Thomas C. Leonard, then the Chief Executive Officer of Alpha, using the same criteria that were used to determine the compensation of the other executive officers, as described above. Mr. Leonard received a salary of \$350,000 and received

150,000 options to purchase shares of common stock at an exercise price of \$16.359 per share under the 1996 Plan. Based on studies prepared by independent compensation consultants, Mr. Leonard's total compensation for fiscal 2000 was in the middle range of executives of similar companies.

OTHER PROPOSED ACTION

As of the date hereof, the management of Alpha knows of no business to come before the Meeting other than the election of directors. However, if any other business should properly be presented to the Meeting, the proxies will be voted in respect thereof in accordance with the judgment of the person or persons holding the proxies.

OTHER MATTERS

VOTING PROCEDURES

The votes of stockholders present in person or represented by proxy at the Meeting will be tabulated by an inspector of elections appointed by Alpha. The representation in person or by proxy of at least a majority of the shares of common stock outstanding on the record date is necessary to constitute a quorum at the Meeting. Abstentions and broker "non-votes" are each counted as present in determining whether a quorum is present. The three nominees for director of Alpha who receive the greatest number of votes cast by stockholders present in person or represented by proxy at the Meeting and entitled to vote thereon will be elected directors of Alpha.

Abstentions and broker "non-votes" will have no effect on the outcome of the vote for the election of directors. Shares of common stock held of record by brokers who do not return a signed and dated proxy will not be considered present at the Meeting, will not be counted towards a quorum and will not be voted in the election of directors.

RELATIONSHIP WITH INDEPENDENT PUBLIC ACCOUNTANTS

The Board of Directors has appointed KPMG LLP as the independent certified public accountants to audit the consolidated financial statements of Alpha for the fiscal year ending April 1, 2001. Such firm and its predecessors have served continuously in that capacity since 1974. A representative of KPMG LLP will be present at the Meeting, will be afforded the opportunity to make a statement if he or she desires to do so, and will be available to respond to appropriate questions.

INCORPORATION BY REFERENCE

To the extent that this Proxy Statement has been or will be specifically incorporated by reference into any filing by Alpha under the Securities Act of 1933, as amended, or the Exchange Act, the sections of the Proxy Statement entitled "Compensation Committee Report on Executive Compensation" and "Performance Graph" shall not be deemed to be so incorporated, unless specifically otherwise provided in any such filing.

STOCKHOLDER PROPOSALS

Under SEC regulations, any stockholder desiring to make a proposal to be acted upon at the 2001 Annual Meeting of Stockholders must present such proposal to Alpha by April 1, 2001 for the proposal to be considered for inclusion in our proxy statement. If a proponent fails to notify Alpha by June 14, 2001 of a non-Rule 14a-8 stockholder proposal which it intends to submit at Alpha's 2001 Annual Meeting of Stockholders, the proxy solicited by the Board of Directors with respect to such meeting may grant discretionary authority to the proxies named therein to vote with respect to such matter.
