## Skyworks Showcases Innovative Technologies at CTIA Wireless 2004

ATLANTA--(BUSINESS WIRE)--March 22, 2004--Skyworks Solutions, Inc. (Nasdaq:SWKS), the industry's leading wireless semiconductor company focused on radio frequency (RF) and complete cellular system solutions for mobile communications applications, today announced the company will be exhibiting at CTIA Wireless 2004 in booth #3517 at the Georgia World Congress Center in Atlanta, Mar. 22-24.

Skyworks' advanced wireless solutions to be highlighted at the booth include:

-- Customer Products:

-- Handsets -- More than 25 exciting new multimedia phones featuring: Motorola, LG, Samsung and Sony Ericsson; as well as Codacom, Ezze, Konka, Maxon, Panasonic, Sagem, Sanyo, Siemens, Sierra Wireless, Soutec and Telefonica.

-- WLAN Access Points and Cards -- From top providers such as Buffalo, Cisco, D-Link and Linksys.

-- Front-End Modules -- Market leading switches and power amplifiers in both GaAs PHEMT and HBT, including the industry's smallest 3mm x 3mm CDMA power amplifier (PA) module and family of W-CDMA PAs.

-- RF Subsystems -- Skyworks' complete RF subsystem for EDGE mobile handsets, which include the company's leadership single-chip direct conversion transceiver, PA module and a PA controller/modulator. Skyworks will also showcase its Single Package Radio (SPR(TM)), the world's first complete handset radio system that fits into a single, dime-sized package.

-- Cellular Systems -- Pegasus(TM), the industry's most complete and flexible system solution for multi-band, multi-mode GSM/GPRS applications, including all of the hardware and software required to build a state-of-the-art handset.

-- Wireless LAN -- Skyworks offers a family of fully integrated 802.11 WLAN front-end modules which reduce the number of components required for building routers, PC cards and PCI adapter access points.

### About Skyworks

Skyworks Solutions, Inc. is the industry's leading wireless semiconductor company focused on RF and complete cellular system solutions for mobile communications applications. The company provides front-end modules, RF subsystems and cellular systems to handset, WLAN and infrastructure customers.

Skyworks is headquartered in Woburn, Mass., with executive offices in Irvine, Calif. The company has design, engineering, manufacturing, marketing, sales and service facilities throughout North America, Europe, Japan and Asia Pacific. Safe Harbor Statement

This news release includes "forward-looking statements" intended to qualify for the safe harbor from liability established by the Private Securities Litigation Reform Act of 1995. These forward-looking statements include information relating to future results of Skyworks (including certain projections and business trends). Forward-looking statements can often be identified by words such as "anticipates," "expects," "intends," "believes," "plans," "may," "will," "continue," similar expressions, and variations or negatives of these words. All such statements are subject to certain risks and uncertainties that could cause actual results to differ materially and adversely from those projected, and may affect our future operating results, financial position and cash flows.

These risks and uncertainties include, but are not limited to: global economic and market conditions, such as the cyclical nature of the semiconductor industry and the markets addressed by the company's and its customers' products; demand for and market acceptance of new and existing products; the ability to develop, manufacture and market innovative products in a rapidly changing technological environment; the ability to compete with products and prices in an intensely competitive industry; product obsolescence; losses or curtailments of purchases from key customers or the timing of customer inventory adjustments; the timing of new product introductions; the availability and extent of utilization of raw materials, critical manufacturing equipment and manufacturing capacity; pricing pressures and other competitive factors; changes in product mix; fluctuations in manufacturing yields; the ability to continue to grow and maintain an intellectual property portfolio and obtain needed licenses from third parties; the ability to attract and retain qualified personnel; labor relations of the company, its customers and suppliers; economic, social and political conditions in the countries in which Skyworks, its customers or its suppliers operate, including health and security risks, possible disruptions in transportation networks and fluctuations in foreign currency exchange rates; and the uncertainties of litigation, as well as other risks and uncertainties, including but not limited to those detailed from time to time in the company's Securities and Exchange Commission filings.

These forward-looking statements are made only as of the date hereof, and the company undertakes no obligation to update or revise the forward-looking statements, whether as a result of new information, future events or otherwise.
