WOBURN, Mass., Aug 26, 2002 (BUSINESS WIRE) -- Skyworks Solutions, Inc. (Nasdaq:SWKS) the industry's leading wireless semiconductor company focused on radio frequency (RF) and complete semiconductor system solutions for mobile communications applications, today announced that Chief Executive Officer David J. Aldrich and Chief Financial Officer Paul E. Vincent will be presenting at the Salomon Smith Barney Technology Industry Conference. The presentation will take place on Wednesday, Sept. 4, 2002 at 1:30 p.m. Eastern Time.

To listen to the presentation, please visit the "Investor Relations" section of Skyworks' Web site at www.skyworksinc.com. Replays will be available until 5 p.m. ET on Wednesday, Sept. 11, 2002.

About Skyworks

Skyworks Solutions, Inc. is the industry's leading wireless semiconductor company focused on RF and complete semiconductor system solutions for mobile communications applications. The company began operations in June 2002, following the completion of the merger between Alpha Industries, Inc. and Conexant Systems, Inc.'s wireless communications business. Skyworks is focused on providing front-end modules, RF subsystems and cellular systems to wireless handset and infrastructure customers worldwide.

Skyworks is headquartered in Woburn, Mass., with executive offices in Newport Beach, Calif. The company has design, engineering, manufacturing, marketing, sales and service facilities throughout North America, Europe, Japan and Asia Pacific. For more information please visit www.skyworksinc.com.
