**Agreement with David J. Aldrich**

On May 11, 2016, in connection with the transition of Mr. Aldrich from Chief Executive Officer to Executive Chairman of the Company, the Company entered into a Second Amended and Restated Change of Control / Severance Agreement with Mr. Aldrich (the "Aldrich Agreement"), which is effective as of

The Aldrich Agreement sets out severance benefits that become payable if, while employed by the Company, other than following a change of control, Mr. Aldrich either (i) is terminated without cause or (ii) terminates his employment for good reason. The severance benefits provided to Mr. Aldrich under either of these circumstances will consist of: (i) a lump-sum payment equal to two times the sum of (A) his then-current annual base salary and (B) the Bonus Amount (as defined below); and (ii) full acceleration of the vesting of all of Mr. Aldrich's outstanding stock options, which stock options will become exercisable for a period of two years after the termination date (but not beyond the expiration of their respective maximum terms), full acceleration of the vesting of all outstanding restricted stock awards, and the right to receive the number of performance shares that he would have earned had he remained employed through the end of the applicable performance period. The Bonus Amount is an amount equal to the greater of (x) the average short-term cash incentive awards received for the three years prior to the year in which the termination occurs and (y) the target annual short-term cash incentive award for the year in which the termination occurs.

The Aldrich Agreement also sets out severance benefits that become payable if (i) within two years after a change of control, Mr. Aldrich either (A) is terminated without cause or (B) terminates his employment for good reason, or (ii) the term of the Aldrich Agreement expires within 90 days following a change of control. The severance benefits provided to Mr. Aldrich in such circumstances will consist of: (i) a lump-sum payment equal to two and one-half times the sum of (A) his annual base salary immediately prior to the change of control and (B) the CIC Bonus Amount (as defined below); (ii) Mr. Aldrich's then-outstanding stock options will become exercisable for a period of 30 months after the termination date (but not beyond the expiration of their respective maximum terms); and (iii) provided he is eligible for and timely elects to continue receiving group medical coverage, COBRA continuation for Mr. Aldrich and his eligible dependents for a period of 18 months after the termination ("COBRA continuation"). Additionally, except as may otherwise be provided in an award agreement documenting an award made under the Company's 2015 Long Term Incentive Plan (the "2015 Plan") with respect to a change in control (as that term is defined in the 2015 Plan), in the event of a change of control, the Aldrich Agreement provides for full acceleration of the vesting of all of Mr. Aldrich's then-outstanding stock options and restricted stock awards and partial acceleration of any outstanding performance share awards. The CIC Bonus Amount is an amount equal to the greater of (x) the average short-term cash incentive awards received for the three years prior to the year in which the

---

change of control occurs and (y) the target annual short-term cash incentive award for the year in which the change of control occurs.

The Aldrich Agreement also sets out the benefits that become payable upon the earlier of the expiration of the term of the Aldrich Agreement (including an early expiration of the term that occurs following the Company's 2017 annual meeting of stockholders by mutual agreement of the Company and Mr. Aldrich) or Mr. Aldrich's death or disability, provided that Mr. Aldrich does not voluntarily terminate his employment with the Company before the date on which the Company's 2017 annual meeting of stockholders occurs. The benefits provided to Mr. Aldrich under these circumstances will consist of: (i) a lump-sum payment equal to one times the sum of (A) his then-current annual base salary and (B) the Bonus Amount; (ii) full acceleration of the vesting of all of Mr. Aldrich's outstanding stock options, which stock options will become exercisable for a period of two years after the termination date (but not beyond the expiration of their respective maximum terms), full acceleration of the vesting of all outstanding restricted stock awards, and the right to receive the number of performance shares that he would have earned had he remained employed through the end of the applicable performance period (provided that such acceleration shall only apply to a pro-rated portion of any awards granted to Mr. Aldrich in the final fiscal year of the term of the Aldrich Agreement, based on the number of days he performed services for the Company in such fiscal year); (iii) COBRA continuation for a period of 18 months after the termination; and (iv) payment of his annual short-term incentive award for the fiscal year in which termination occurs, based on the achievement of any and all applicable performance milestones determined by the Company's Board of Directors in accordance with the terms of the applicable executive bonus plan and prorated based on the number of days he performed services for the Company in such fiscal year.

The Aldrich Agreement sets Mr. Aldrich's annual base salary at \$800,000. Mr. Aldrich will be eligible to participate in any fiscal year executive incentive plan adopted by the Company during the term of the agreement. His annual cash bonus opportunity (i) under the Company's Fiscal Year 2016 Executive Incentive Plan (the "FY 2016 EIP") shall remain in effect for the 2016 fiscal year, and (ii) under any executive bonus plan adopted by the Company for any other fiscal year during the term of the Aldrich Agreement shall be the same as the annual cash bonus opportunity for the Company's then-Chief Executive Officer. The Aldrich Agreement also provides that Mr. Aldrich will be eligible to receive an annual award of stock options and performance shares in each fiscal year during the term of the Aldrich Agreement at the same time as annual equity awards are made to the Company's executives, in each case, in such amount as is equal to 90% of any such award made by the Company to the Company's then-Chief Executive Officer.

The Aldrich Agreement has an initial term that lasts until the date on which the Company's 2018 annual meeting of stockholders occurs and that automatically extends until the date on which the Company's 2019 annual meeting of stockholders occurs, unless either the Company or Mr. Aldrich timely provides a notice of non-renewal to the other. Additionally, the Aldrich Agreement requires that Mr. Aldrich sign a release of claims in favor of the Company before he is eligible to receive any benefits under the Aldrich Agreement and the Aldrich Agreement contains non-compete and non-solicitation provisions applicable to Mr. Aldrich while he is employed by the Company and for 24 months following the termination of his employment.

#### **Agreement with Liam K. Griffin**

On May 11, 2016, in connection with the appointment of Mr. Griffin as Chief Executive Officer, the Company entered into an Amended and Restated Change in Control / Severance Agreement with Mr. Griffin (the "Griffin Agreement"), which is effective as of May 11, 2016.

The Griffin Agreement sets out severance benefits that become payable if, while employed by the Company, other than following a change in control, Mr. Griffin either (i) is terminated without cause or (ii) terminates his employment for good reason. The severance benefits provided to Mr. Griffin under either of these circumstances will consist of: (i) a lump-sum payment equal to two times the sum of (A) his then-current annual base salary immediately prior to such termination and (B) the Bonus Payment; (ii) full acceleration of the vesting of all of Mr. Griffin's outstanding stock options, which stock options will become exercisable for a period of two years after the termination date (but not beyond the expiration of their respective maximum terms), full acceleration of the vesting

of all outstanding restricted stock awards, and the right to receive the number of performance shares that are earned but unissued and that he would have earned had he remained employed through the end of the applicable performance period; and (iii) COBRA continuation for up to 15 months after the termination date.

The Griffin Agreement also sets out severance benefits that become payable if, within the period of time commencing three months prior to and ending two years following a change in control, Mr. Griffin's employment is either (i) terminated by the Company without cause or (ii) terminated by Mr. Griffin for good reason (a "Qualifying Termination"). The severance benefits provided to Mr. Griffin in such circumstances will consist of: (i) a lump-sum payment equal to two and one-half times the sum of (A) his annual base salary immediately prior to the change in control, and (B) the CIC Bonus Amount; (ii) all of Mr. Griffin's then-outstanding stock options will become exercisable for a period of 30 months after the termination date (but not beyond the expiration of their respective maximum terms); and (iii) COBRA continuation for up to 18 months after the termination date.

The Griffin Agreement also provides that in the event of a Qualifying Termination, Mr. Griffin is entitled to full acceleration of the vesting of all of his outstanding stock options, restricted stock awards and restricted stock unit awards and partial acceleration of any performance share awards, in each case granted after January 22, 2015. However, in the event that the successor or surviving company does not agree to assume, or to substitute for, such outstanding equity awards on substantially similar terms with substantially equivalent economic benefits as exist for such award immediately prior to the change in control, then such awards will accelerate (as described in the preceding sentence) as of the change in control.

The Griffin Agreement also provides that all outstanding equity awards held by Mr. Griffin on January 22, 2015, that were granted under the Company's Amended and Restated 2005 Long-Term Incentive Plan will continue, following January 22, 2015, to be governed by the terms of the 2005 Long-Term Incentive Plan and the applicable award agreements thereunder, which terms include automatic accelerated vesting upon a change in control; provided, however, that for purposes of these awards, a "change in control event" will be deemed to have occurred in the event of a change in control as defined in the Griffin Agreement.

In the event of Mr. Griffin's death or permanent disability (within the meaning of Section 22(e)(3) of the Internal Revenue Code of 1986, as amended (the "IRC")), the Griffin Agreement provides for full acceleration of the vesting of all then-outstanding equity awards subject to time-based vesting (including stock options, restricted stock awards, restricted stock unit awards) and all performance-based equity awards where the performance period has ended and the shares are earned but unissued. The Griffin Agreement also provides that if Mr. Griffin's death or permanent disability occurs prior to the end of the performance period of a performance-based equity award, each such award will be deemed earned as to the greater of (i) the target level of shares for such award; (ii) the number of shares that would have been earned pursuant to the terms of such award had he remained employed through the end of the performance period, and such earned shares will become vested and issuable to him after the performance period ends. In addition, all outstanding stock options will be exercisable for a period of 12 months following the termination of employment (but not beyond the expiration of their respective maximum terms).

The Griffin Agreement has an initial two year term from May 11, 2016, and thereafter renews automatically on an annual basis for up to five additional years unless either the Company or Mr. Griffin timely provides a notice of non-renewal to the other prior to the end of the then-current term. The payments due to Mr. Griffin under the Griffin Agreement are subject to potential reduction in the event that such payments would otherwise become subject to excise tax incurred under Section 4999 of the IRC, if such reduction would result in his retaining a larger amount, on an after-tax basis, than if he had received all of the payments due.

Additionally, the Griffin Agreement requires that Mr. Griffin sign a release of claims in favor of the Company before he is eligible to receive any benefits under the Griffin Agreement and contains a non-solicitation provision applicable to Mr. Griffin while he is employed by the Company and for 12 months following the termination of his employment.

#### **Compensation for Liam K. Griffin**

Effective as of Mr. Griffin's appointment as Chief Executive Officer, his annual base salary will be increased to \$850,000. Under the FY 2016 EIP, Mr. Griffin is also eligible to earn a short-term cash incentive award equaling one-hundred and sixty percent (160%) of his base salary for the 2016 fiscal year if the Company achieves its target

4

---

performance metrics during the 2016 fiscal year, with the opportunity to earn up to a maximum of two (2) times his target award to the extent the Company exceeds its target performance metrics during the 2016 fiscal year (with any such payout to be prorated to reflect that the changes were effective as of May 11, 2016). Additional information about the FY 2016 EIP is included in the Company's Current Report on Form 8-K filed with the Securities and Exchange Commission (the "SEC") on November 13, 2015.

In connection with Mr. Griffin's appointment as Chief Executive Officer, he also received a restricted stock unit award for 26,000 shares of the Company's common stock and a stock option to purchase 73,000 shares of the Company's common stock. Both awards were granted on May 11, 2016 and will vest in equal annual installments over a four-year period measured from the grant date. The stock option has an exercise price of \$64.59 per share, which was equal to the closing price on the NASDAQ Global Select Market on such grant date. The awards were made under the Company's 2015 Long-Term Incentive Plan and are evidenced by the Company's forms of Restricted Stock Unit Agreement and Nonstatutory Stock Option Agreement, respectively, previously approved by the Compensation Committee of the Board of Directors and filed with the SEC.

**Skyworks Names Liam K. Griffin as CEO;  
David J. Aldrich to Become Executive Chairman**

*Multi-Year Succession Plan Effective Post Annual Stockholder Meeting*

**WOBURN, Mass., May 12, 2016** — Skyworks Solutions, Inc. (NASDAQ: SWKS), an innovator of high performance analog semiconductors connecting people, places and things, today announced that its board of directors has appointed Liam K. Griffin as chief executive officer. Mr. Griffin was also elected to the board of directors of Skyworks effective May 11, 2016. David J. Aldrich, Skyworks' chief executive officer since 2000, will assume the newly established role of executive chairman and, in that position, will continue to serve as the chairman of Skyworks' board of directors.

Skyworks has substantially outpaced the broader semiconductor market: growing the top line at a 25 percent annual rate from \$1.1 billion in fiscal 2010 to over \$3.2 billion in fiscal 2015. In parallel, the company has maintained a rigorous leadership succession planning process to ensure the organization continues to follow this path of success going forward.

"I am delighted to announce that Liam Griffin has become Skyworks' chief executive officer as we capitalize on the enormous global mobility and Internet of Things opportunities ahead of us," said Aldrich. "Liam has a demonstrated track record of success and our proven partnership over 15 years makes him my logical successor. He is a highly energetic and motivating leader who is widely respected amongst our customers, partners, suppliers and investors as well as the entire Skyworks employee base. Liam has the unique ability to translate challenging operational plans into market outperformance through his intense focus and unyielding tenacity. I am confident Liam is the right person at the right time to lead Skyworks into the next frontier and I look forward to supporting him in his new capacity as executive chairman."

---

As executive chairman, Mr. Aldrich, 59, will devote his time to supporting the management transition and working with the leadership team to develop Skyworks' long term strategy. Mr. Aldrich has served as CEO of Skyworks and its predecessor Alpha Industries, since 2000. During that time, annual company revenue grew from \$126 million in 1999, when he became president and chief operating officer, to over \$3.2 billion as of fiscal 2015, while operating income increased 7,477 percent.

Mr. Griffin, 49, joined Skyworks in August 2001 as head of sales and marketing. Since that time his responsibilities have continuously expanded with his leadership of Skyworks' business units, R&D efforts and operations. In 2011, he was promoted to executive vice president and in May 2014 was named company president. Mr. Griffin has been a key architect of the company's strategy to cement its leadership position in mobile communications while diversifying across the Internet of Things.

Before joining Skyworks, Mr. Griffin was the vice president of worldwide sales at Dover Corporation and held product management and process engineering positions at AT&T's Microelectronics and Network Systems' businesses. Mr. Griffin received a Bachelor of Science degree in mechanical engineering from the University of Massachusetts and a Master of Business Administration degree from Boston University.

"I am honored to have been chosen by Dave and the Skyworks board to lead our great company," said Griffin. "Over the past 17 years, Dave Aldrich's vision and leadership have built Skyworks into one of the largest and fastest growing semiconductor companies in the world. We have created an awesome platform for analog, mixed signal and RF product integration leveraging our OEM relationships and operational scale. I assume this new leadership role deeply humbled yet highly confident in Skyworks' future. I look forward to continuing to work closely with Dave and building upon all of his achievements while ultimately realizing our vision of connecting everyone and everything, all the time."
