Skyworks to Present at Upcoming Investor Technology Conferences

WOBURN, Mass., Nov 23, 2005 (BUSINESS WIRE) -- Skyworks Solutions, Inc. (NASDAQ:SWKS), a global leader in analog, mixed signal and digital semiconductors for mobile communications applications, today announced that company executives will present a company overview at two upcoming investor conferences:

Credit Suisse First Boston Annual Technology Conference - Wednesday, Nov. 30, 2005, at 1 p.m. Eastern time from the Phoenician Resort in Scottsdale, Ariz.

Lehman Brothers Global Technology Conference - Thursday, Dec. 8, 2005, at 12:30 p.m. Eastern time from the Fairmont Hotel in San Francisco.

Each presentation will be webcast live and archived for replay for one week following the conference on the "Investor Relations" section of Skyworks' Web site at www.skyworksinc.com.

About Skyworks

Skyworks Solutions, Inc. is a global leader in analog, mixed signal and digital semiconductors for mobile communications applications. The company's power amplifiers, front-end modules, direct conversion transceivers and complete system solutions are at the heart of many of today's leading-edge multimedia handsets, cellular base stations and wireless networking platforms. Skyworks also offers a portfolio of highly innovative linear products, supporting a diverse set of automotive, broadband, industrial and medical customers.

Headquartered in Woburn, Mass., Skyworks is worldwide with engineering, manufacturing, sales and service facilities throughout Asia, Europe and North America. For more information, please visit the Skyworks Web site at: www.skyworksinc.com.
