Skyworks Receives Quality Award From Appeal Telecom; Award Recognizes Superior Product Performance and Customer Satisfaction

WOBURN, Mass., Jul 9, 2003 (BUSINESS WIRE) -- Skyworks Solutions, Inc. (Nasdaq:SWKS), the industry's leading wireless semiconductor company focused on radio frequency (RF) and complete cellular system solutions for mobile communications applications, today announced that Appeal Telecom Co. Ltd. has presented Skyworks with their annual supplier award for outstanding quality and customer support.

Appeal, located in Korea, is a key contract manufacturer for Motorola. Appeal leverages a number of Skyworks' power amplifier (PA) modules, including the company's 4mm x 4mm CDMA PAs, for a variety of handsets sold worldwide. Since 1998, Appeal has produced approximately 20 handset models incorporating Skyworks' PAs.

"We are delighted to bestow our highest quality award to Skyworks for their tireless dedication in delivering truly outstanding wireless semiconductor products. It is also with extreme satisfaction that we are able to announce that Skyworks is the first supplier outside Korea to receive our highest commendation," said Yong Seop-Lim, executive managing director, Appeal. "We look forward to working with Skyworks on future handset models incorporating their leading-edge semiconductor devices."

"We are honored that Appeal has recognized the quality of our products and customer support," said Nien-Tsu Shen, vice president of Quality at Skyworks. "Our long-term relationship with Appeal makes this award especially gratifying as we have strived to deliver excellence through innovative products, world-class quality, reliability, value and services."

About Skyworks

Skyworks Solutions, Inc. is the industry's leading wireless semiconductor company focused on RF and complete cellular system solutions for mobile communications applications. The company is focused on providing front-end modules, RF subsystems and cellular systems to handset, WLAN and infrastructure customers.

Skyworks is headquartered in Woburn, Mass., with executive offices in Irvine, Calif. The company has design, engineering, manufacturing, marketing, sales and service facilities throughout North America, Europe, Japan and Asia Pacific. For more information please visit www.skyworksinc.com.

Safe Harbor Statement

This news release includes "forward-looking statements" intended to qualify for the safe harbor from liability established by the Private Securities Litigation Reform Act of 1995. These forward-looking statements include information relating to future results of Skyworks (including certain projections and business trends). Forward-looking statements can often be identified by words such as "anticipates," "expects," "intends," "believes," "plans," "may," "will," "continue," similar expressions, and variations or negatives of these words. All such statements are subject to certain risks and uncertainties that could cause actual results to differ materially and adversely from those projected, and may affect our future operating results, financial position and cash flows.

These risks and uncertainties include, but are not limited to: global economic and market conditions, such as the cyclical nature of the semiconductor industry and the markets addressed by the company's and its customers' products; demand for and market acceptance of new and existing products; the ability to develop, manufacture and market innovative products in a rapidly changing technological environment; the ability to compete with products and prices in an intensely competitive industry; product obsolescence; losses or curtailments of purchases from key customers or the timing of customer inventory adjustments; the timing of new product introductions; the availability and extent of utilization of raw materials, critical manufacturing equipment and manufacturing capacity; pricing pressures and other competitive factors; changes in product mix; fluctuations in manufacturing yields; the ability to continue to grow and maintain an intellectual property portfolio and obtain needed licenses from third parties; the ability to attract and retain qualified personnel; labor relations of the company, its customers and suppliers; economic, social and political conditions in the countries in which Skyworks, its customers or its suppliers operate, including security risks, possible disruptions in transportation networks and fluctuations in foreign currency exchange rates; and the uncertainties of litigation, as well as other risks and uncertainties, including but not limited to those detailed from time to time in the company's Securities and Exchange Commission filings.

These forward-looking statements are made only as of the date hereof, and the company undertakes no obligation to update

or revise the forward-looking statements, whether as a result of new information, future events or otherwise.
