Approval of Fiscal Year 2007 Executive Incentive Plan

On November 7, 2006, the Compensation Committee of the Board of Directors of Skyworks Solutions, Inc. (the "Company") approved the Fiscal Year 2007 Executive Incentive Plan (the "Incentive Plan"). The Incentive Plan establishes cash incentive awards that may be earned semi-annually by senior management approved for participation in the Incentive Plan, including each executive officer of the Company, based on the Company's achievement of certain corporate goals on a semi-annual basis. The Incentive Plan also establishes minimum achievement levels with respect to the corporate goals necessary for any cash incentives to be awarded under the Incentive Plan. The semi-annual corporate goals approved by the Compensation Committee of the Company involve achievement of certain revenue, operating income, operating margin, and quality metrics for fiscal year 2007.

Under the Incentive Plan, the Company's Chief Executive Officer is eligible to earn cash incentive awards totaling 100% of his base salary for the fiscal year if the Company achieves its target performance metrics, with the opportunity to earn up to a maximum of two times his target award to the extent the Company exceeds its target performance metrics. The Company's other executive officers are eligible to earn cash incentive awards totaling 40% to 60% of their respective base salaries for the fiscal year, depending on their position, if the Company achieves its target performance metrics, with the opportunity to earn up to a maximum of two times their target awards to the extent the Company exceeds its target performance metrics. Upon completion of the first six months of the fiscal year 2007, the Compensation Committee will determine the extent to which the Company's performance goals have been attained for that period, and whether any cash incentive awards should be made. Upon completion of the final six months of the fiscal year, the Compensation Committee will complete the same process.
